

Hey there!

Thanks for your interest in bringing me to your next event! I am so excited by the possibility. Here is what I can bring to your live or online event:

- Dynamic, custom-made education. Before the event, you and I will decide on topics that will inspire and empower audience members. With each booking, you receive two 45-minute long presentations, and more may be purchased on request. I am open for any education topic within my knowledge base. Here are a few suggested topics:
 - Science and Young Living Product Presentations
 - Emotions & Oils
 - Reproductive Hormone Health
 - Cleansing Trio
 - Core Supplements
 - 3 Month Plans
 - NingXia Products
 - Thieves Home Products
 - New Products
 - Healthy Body with Slique
 - Yoga and Mind-Body Work
 - Aroma Yoga
 - Vinyasa Flow Yoga
 - Yin Yoga
 - Aroma Freedom Technique
 - Mindful Eating
 - Business Presentations
 - Finding Your Why
 - Building Resilience and Overcoming Obstacles
 - Building a Loyal Social Media Following
 - Becoming a Better Speaker
- I will attend one team dinner or lunch with your leaders, VIPs, or with the entire group.
- I will bring books to sell at the event, or offer you discounted pricing and your team may sell the book. In this scenario, you make the differential profit on any book sales.
- I will offer discounted access to The Club on my website for all attendees.

For Live events, all I need from you is:

- \$3500 speaker fee, half due at the time of booking, and half within 5 days after the event.
- Round-trip first-class airfare and ground transportation.
- Private hotel accommodations.
- Food. \$120.00 allowance for food per diem, or meals provided.

For Online events, all I need from you is:

- Rates are \$500/hour, due at the time of booking. Packages of 5 classes are available at \$2,375 or 10 classes at \$4,500.
- Access to your preferred online platform (Facebook Group, Zoom, Google Hangout, etc)

Sound like a plan? Someone from my team will be reaching out to you to gather more information within 2 business days.
